the Cross of Inspiration

...is an outstanding focal point of interest towering sixty-three feet high on the top terrace of Greenwood. The prestressed concrete Cross carefully constructed of white cement has a cross-arm span of twenty feet and weighs twelve tons. It is a marvel of modern engineering in steel and concrete and has been erected

at a vista point which will forever overlook Greater Spokane and the hills beyond.

Riverside Memorial Park

Greenwood Memorial Terrace and Riverside Memorial Park are divisions of Fairmount Memorial Association and have been a part of this community since 1888. The Board of Directors of this non-profit association serve without compensation.
